

JENA ALLIANCE TALENT FAIR 2024

Find PhD Options in Life Sciences, Medicine, Optics/Photonics
March 06 | Online

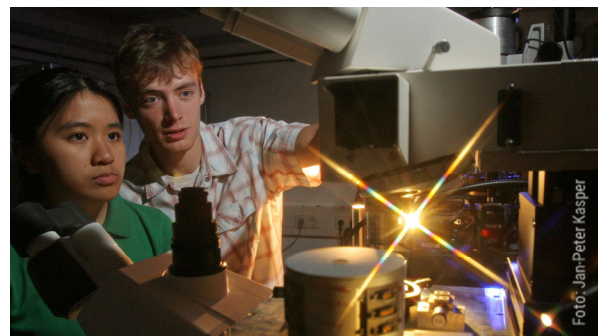

Are you at the end of your Master's degree in a natural science subject, such as **life sciences, medicine or optics/photonics**, and interested in doing your PhD in Jena?

Take part in the **Jena Alliance Talent Fair 2024**, which will take place online on 6 March 2024!

It offers the unique opportunity to meet your future supervisor in an exclusive 1:1 chat and to get to know representatives of the Jena Alliance Graduate Schools. A number of possible PhD projects are already being advertised on the website.

The following Graduate Schools present their entry and career paths:

- Jena School for Microbial Communication (JSMC)
- Abbe School Of Photonics (ASP)
- Max Planck School of Photonics (MPSP)
- Jena School of Molecular Medicine (JSMM)

The full programme and registration link for the Talent Fair 2024 can be found here: www.uni-jena.de/talent-fair.

Registration is open until **16 February**.
